DESCRIPTION: Great looking and performing recurve. The York Thunderbolt was a highly regarded hunting bow. This one is a great shooter. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decals are very faded but legible. Overall, this is a really nice bow in excellent condition for its age
