### **March 12, 2014**

**The Garden and Beautification Committee had their regular meeting on March. 6, 2014 at the Clubhouse with 20+ members present.**

This has been a busy month. 106 residents enjoyed the Dinner Dance based on the exit surveys they returned. Thanks to the 30+ gardeners who volunteered to plan, sell tickets, cook, bake, secure door prizes and gifts for the raffle, staff the kitchen and clean. They raised a good amount toward Gardens beautification projects.

We had more than 20 turn out for our workday on February 13 to complete some of the necessary gardening tasks including cleaning around and fertilizing the trees along Englewood Road and at the entry to the Clubhouse drive along with several other jobs.

I failed to mention in our February report that Fred Streif replaced the rotten wood and repaired the announcement sign in front of the Rec Center. GGC staff then painted the sign.

The shrubs have been installed around the entry sign at Coliseum and Englewood Road. The palm fans there were transplanted to the Gene Borseth memory bench at the turn in to the Rec Center. Thanks to the Association for helping with the completion of this project and to the Gardeners for funding the transplanting of the palms.

On March 1, the much anticipated memory plaza was installed around the memory benches by the pond at the Clubhouse. The Gardeners have been planning this and raising the funds for it for more than a year now. If you haven't ventured there since that date, take time to do so. It is lovely. We especially want to thank gardeners John Dezinzo and Fred Streif for the hard work they did toward planning the project and securing the company to do this. While all the price details are not yet worked out for the second phase of this project, the plaza bricks can be replaced and engraved as people wish to create memories or honor those who have lived in the Gardens. We will publish the full details when they are finalized.

On March 8, twenty Garden residents joined in the Great American Cleanup and picked up 21 large bags of trash around the Gardens. Thanks to gardener Carolyn Strief for being the coordinator with Charlotte County this year and to all the residents and gardeners who participated.

Our next workday is Tuesday, March 25 at 9:00 AM. Meet at the Rec Center. We will be cleaning cement memory benches and spreading a load of mulch to refresh the mulched areas. Anyone who is interested, please come and bring gloves and tools for spreading mulch or carts and your truck for hauling bags of mulch. Everyone here is invited to help the Garden Club. Please join us on March 25 at 9:00 AM if you can.

Our next and final 2013-14 winter season meeting is Thursday, April 3 at 10:00 AM at the Clubhouse. This is the planning meeting for the 2014-15 winter season. Join us if you can.

Finally our last fun and fund raising event for this year is Saturday, March 22 – our pizza party. The tickets are \$10.00 each and include good pizza (both vegetarian and meat), side salad, water, coffee and dessert. We have live entertainment and lots of excellent raffle ticket gifts and a door prize. You don't want to miss it. Tickets are selling well, but you can still buy them tonight – don't delay your purchase.

Sincerely,  
Janet Anderson, Chair

## **ATTENTION PET OWNERS!**

Please do not allow your pet to wander onto private property while out walking the community. Some pet owners are allowing their pups to "do their business" in others yards and leaving it for that property owner to clean up! If you do walk your pet on Association property, please carry a bag and pick up the fecal matter.

The community documents, as well as Charlotte County Code requires fecal matter be removed immediately. Please do your part, because failure to do so may result in an invitation to a Fining Hearing!

**PEDESTRIANS ALWAYS HAVE RIGHT OF WAY... GIVE THEM PLENTY OF TIME AND ROOM TO CROSS!**

**Please do your part - take pride in your property!  
Fix up, spruce up, paint & plant!**

## February 12, 2014

**The Garden and Beautification Committee had their regular meeting on Feb. 6, 2014 at the Clubhouse with 24 members present.**

We had 90 Gardens of Gulf Cove residents at the Welcome Potluck on January 18 – a record number. Attendees donated 3 very large boxes of nonperishable food to the Charlotte Food Pantry through Helping Hand in Englewood.

We have had several workdays. Gardeners are most appreciative of what care the maintenance staff has given to our landscape this year, but we have also had large turnouts on the workdays to help them with various chores. Volunteers have done pruning, hand weeding, transplanting of plants that had overgrown their spots, cleaning stone retainer walls and fertilizing and treating plant disease.

Our next work session is tomorrow, Thursday, Feb. 13. We will meet in front of the Rec Center at 9:00 AM to head to our different tasks. Anyone who wishes is invited to join us – we have a long list of to dos. Bring your gloves, a cart if you have one and some gardening tools. We especially need some workers who have gasoline powered weed eaters tomorrow since we are working on the row of shrubs on Englewood Rd and need to cut weeds around them before we fertilize the hollies and the crepe myrtles.

Pizza tickets for March 22 are now on sale. Get them now. Dinner Dance tickets are completely sold out so

get your pizza ticket before they are gone.

The landscaping at the entry sign will be installed the first week of March. Much thanks to all who have helped make this possible.

Our next regular meeting is Thursday, March 6 at 10:00 at the Clubhouse. All GGC residents are invited to join our group.

Mark your calendars also – whether you are a gardener or not – for Saturday, March 8, 9:00 at the Rec Center for Great American Cleanup Day. We participate in the Gardens every year and we hope that a large number of Gardens residents will turn out to help with pickup and disposal of trash and letter. If you need more info, call Fred or Carolyn Streif.
