"St. Michael's Christian Mothers/Women acts to support, empower, and educate all Catholic women in spirituality, leadership and service. The Christian women's group responds with Gospel values to the needs of the Church and society in the modern world."

Honorees: In August of 2022 we had a meeting with a mass and luncheon to install new members and honor those members who have achieved "milestone" anniversaries. Forty-year honorees were Sandy Brixius, Jo Herold, Janice Janson, Rosie Przybilla, Linda Seppelt and Kay Winscher. The women honored for 45 years membership are Karen Grittner, Marcy Kloss and Phyllis Poster. Fifty year members recognized were Mary Brenny, Ramona Hanneken and Patty Scholl. Louise Billmeyer and Clarice Marshik were noted for 55 years of service! Congrats to all! New members installed were Melissa Hall, Katie Hoheisel, Crystal Wenner and Gayle Young. Welcome!

Spirituality: There are numerous "Chaplets" available in the back of church and at the parish office to pray. There is a list of saints and the "special causes" they are associated with, to pick up too. There are holy water bottles, chaplets and rosaries, and prayer blankets to take and use. Once a month, we have a mass said for the blanket recipients.

Reflection: *"For where two or three come together in my name, there am I with them."* -Matthew 18:20
