Rainbow will be hosting another training series just before hurricane season begins!! There will be training for parents and training for Pre-k4 students. This training is funding by the Save the Children Foundation.

- **“Parent Prep: Building Resilience with Families” workshop:** Is a 60 to 90 minute workshop designed for parents and guardians to build their capacity to support children’s needs before, during and after a crisis or disaster. In addition, it equips parents with basic knowledge and skills to improve their household preparedness. *This training will be held in our Little Havana center on April 30th from 5:00 pm-6:30 pm. And in our Miami Beach center on May 7th from 5:00pm-6:30pm. Child care and food will be offered for free to those who attend this wonderful workshop!! A memo went out today along with a sign-up sheet. We look forward for a big turnout for this workshop!!*
- ***Pre-K Prep Rally: Emergency Preparedness” sessions:** These sessions will offer children the opportunity to provide a safe space for individual and group reflection on planning, emergency preparedness, and coping with natural disasters. By promoting the emotional well-being of children, this program supports emergency planning and facilitation in conversations of how to better prepare for emergencies through cooperative play, discussion, creative arts, and literature.
