GwG Spotlight

**OUR 1ST YOUTH
AMBASSADOR!**

We are shining the light on our first GwG Youth Ambassador, Victoria Young. Victoria is a student at Graham Middle School in Mountain View.

Although she considers herself to be somewhat shy, Victoria stepped out of her comfort zone to encourage her fellow students to give back to the community with a Books and Bears Drive.

Students are excited about this endeavor and are showing their support by spreading the word throughout the school and collecting books and bears from November 28 – December 15. All donations will benefit children served by the Lucile Packard Children's Hospital.

Way to go Victoria!
