

PENSACOLA TO HAVANA RACE 2017

TRAVEL TO HAVANA

We anticipate that a number of PYC members and guest will join us in Havana. The race will leave Pensacola on April 30, and boats will likely start to arrive in Havana on Wednesday/Thursday (May 3rd/4th)

We have an exciting program of events including parties, tours, and excursions for both race participants and spectators.

For those wishing to join us in Havana, there are several travel options available to you

CHARTER AIR & HOTEL

Subject to sufficient interest we are trying to set up a charter tour that will include air travel, hotel and airport transfers. If you are interested in participating in this group travel, please contact:

- Joaquin Lubkowitz: JLubkowitz@separationsystems.com
- Cynthia Cannon: cannonwilliams99@yahoo.com

We will keep you posted of developments as we get more information

INDEPENDENT TRAVEL

We understand that several PYC Members have booked air travel from Pensacola with Delta (connecting in Atlanta) and American (connections through Miami or Charlotte). The airlines will provide you with Visa information at the time of booking.

Of course, you may make your own travel plans, but in case you need assistance, we have been in contact with a travel agent that has information regarding our event. If you are interested in using the services of a travel agent to tailor your travel to your requirements and schedule, please contact:
