skincare tips & specials.

Welcome to Integrated Aesthetics, a skin care studio. Beautiful skin starts with healthy skin. Change your skin at the cellular level to diminish fine lines and wrinkles, fade sun damage, increase hydration, and manage acne for a more youthful looking skin. As a skin therapist with over 900 hours of education, I enjoy bringing a higher level of health, self-confidence, and personal wellness to my clients.

I am committed to ensuring that your experience at Integrated Aesthetics is a highly personalized one with treatment customized especially for you. My services and products have been given much consideration to embrace your well being. Treatments are recommended every two to six weeks, unless otherwise advised.

I love educating clients about their skin, recommending products and treatments to suit their life style and skin care needs. To help you achieve your skincare goals of healthy balanced skin, the use of medically validated, pharmaceutical grade, chirally correct products are utilized in my facial therapies. My goal is to provide you with the best products and services so that you will enjoy your time with us and look forward to your next visit.

Who does your skin?
