

SCMGI Micro-Grants

You are invited to apply for a South Carolina Middle Grades Initiative micro-grant to attend the South Carolina Association of Middle Level Education's Spring Conference, March 2-4, 2018. Please see below for categories and detailed information. The deadline for micro-grant applications is Wednesday, January 31, 2018.

Pre-Service Educators:

Pre-service teacher candidates (via their university professors) are invited to apply for a \$250.00 microgrant to attend the SCAMLE Conference. This grant would cover the \$80.00 conference registration fee, as well as assist with travel and accommodations. University professors would need to complete the online application form from the link below. The application process includes a brief narrative of how the recipient(s) plans to present content learned from the conference to a group of his or her peers. The after-conference presentation must be completed no later than April 2, 2018 and if more than one recipient is from the same institution, they may present together. By completing the application, the university professor agrees to assist the teacher candidate(s) with the follow-up presentation. Survey's will be sent to both the recipient(s) and his or her university professor as a follow-up after the conference and their presentation. There is a limit of four recipients per institution. A committee will be formed to review all applications and select the recipients. The deadline for applications is Wednesday, January 31, 2018. If there are additional pre-service teachers at your institution who may be interested beyond the four, you may submit a separate application for them as a "wait-list." These applications will be considered if there are unused funds available after the deadline.

Please contact Dr. Chris Burkett, Director of the SCMGI for questions at Burkett3@mailbox.sc.edu
