

VISTA COLOR GUARD 2016 FALL ITEMS TO PURCHASE

UNDERGARMENTS

It is very important that everyone has the appropriate undergarments! Bras MUST have *clear* straps & underwear MUST be *seamless*. You are welcome to shop where you like for bras and underwear.

MAKEUP

Information on makeup will be given out during the month of September.

HAIR – Due during September!

Hair will be a high ponytail in a long braid. All members will need to purchase an 18-inch fake ponytail that matches their hair color. It is recommended going to a hair supply store to get an exact match on hair color. We recommend Casablanca Beauty Supply or Sally's Beauty Supply.

BODY TIGHT, JAZZ SHOES & FLAG BAGS

Body tights and jazz shoes are required for our first football game on August 25 and flag bags are due by our first competition on October 15. In order to keep costs down and save on shipping, our Guard Mom will be coordinating a group order for body tights, jazz shoes, and flag bags. She sent an email this week that you can respond to for ordering. To be included in the group order, choices and sizing must be communicated to our Guard Mom BEFORE July 23rd. She will then calculate what you owe and the money will be due to her by the first Wednesday of band camp.

Once our Guard Mom receives sizing information, she will coordinate a group order for these as well.
