WHERE:

Set up your Yard Sale in your own front yard.

WHY PRE-REGISTER:

We will be promoting this event in general but special attention will be given to those that pre-register to participate in this event. Over the year's people have complained of having to drive down road after road only to find nothing on some roads. They want to know where exactly they should be looking. Thus, those that pre-register will be added to the master list of all Country Club Estates houses participating. This list will be available as a printable list that people can use and have when driving around looking for the Yard Sales.

You may still participate if you do not pre-register but the focus this year will be primarily the use of the list.
