Annual Christmas Party December 16th 1:00 – 4:00pm

- **November Club Meeting:**

- a) **Old business:**

- a. Officers were nominated for the upcoming year.
 - b. The slate remains unchanged from last year with the exception of adding another "Member at Large" which Jai Jang has been nominated for.

- b) **New business:**

- a. Electricity for our field is still being explored. Without seeming too hopeful there may be some possibilities of a no cost option, however, Harford County Parks and Recreation is still working on our behalf to pursue another option which would probably include cost. The county has to OK electricity to be put in.
 - b. I would like to get the field mowers cleaned up early this fall so the grass does not ferment under the decks during the winter months.
 - c. The annual **Christmas Party** has been rescheduled to Saturday, December 16, 2017 from 1:00pm to 4:00pm at the Havre De Grace Parks and Recreation Center located at 351 Lewis Lane, Havre De Grace, MD 21078. This year's party should be really nice. The party was rescheduled so we can bring small electric's to fly in the Gym during the party. There are many people involved to make the party nice for everyone and I applaud their efforts.

d. *Steve Snyder gave the Treasurer's Report.*

e. *General Discussion:*

- *Dale has been working closely with the HC Parks and Recreation on our electric project. The electric project for the field is progressing nicely and HC Parks and Recreation has given us a \$2,500.00 grant towards either a Solar or Wired Electricity installation. We are awaiting a hard number from BG&E on the cost of the wired solution.*
