

COLORADO ASSOCIATION OF SCHOOL RESOURCE OFFICERS

P.O.BOX 33886 Northglenn, Colorado 80233

December 27, 2016

To Whom It May Concern,

The Colorado Association of School Resource Officer's (C.A.S.R.O.) is a non-profit, 501C3 association registered with the IRS and the Colorado Secretary of State. C.A.S.R.O. was established in 1996 by a handful of law enforcement officer's and has grown today to over 100 members including law enforcement officer's (School Resource Officer's), School Security Personnel, Educators and School Administrators from Police/Sheriff Departments and School District's from across the State.

Our mission is to provide and promote safe, secure and healthy learning environments for children K-12 within the schools of the State of Colorado. Every day we strive throughout local School Districts and communities to bring direction to our youth when they are lost, provide them with positive adult role models when they are in need, and help connect them when they seem to be disconnected to their peers and families while taking ownership in their communities.

It doesn't only take a parent or a family or even the village to raise a child these days it takes the entire community and this is where we are asking for your help.

One week every year C.A.S.R.O. provides a week long "Rocky Mountain Safe School Conference" in the State of Colorado. Presentations and classes will be facilitated in the areas of School Safety, Teen Domestic Violence, Adolescent Brain Development, At Risk Youth Programs and much, much more. Each annual C.A.S.R.O conference is funded solely by membership and conference registration fees and community donations. This is where we are asking for your assistance.

If you are an individual or business able to make a monetary donation to this association, know your funds will make a difference in our abilities to continue developing and providing safe and healthy educational environments for the youth in this State. As well, 100% of any monies donated will go solely to the operating costs of facilitating the trainings for the attendees of the annual conference.

If you are an individual or business that would like to donate your service(s) or item(s) to be used at or given away as a door prize to conference attendees, your donation would be much appreciated as well – and this can be a tax deductible donation!

In either case, your donation will be much appreciated and you will be mentioned in the 2017 Conference Agenda Booklet as well as posted in the main meeting area throughout the conference week (unless you would rather remain anonymous). Additionally, any and all donations are tax deductible and you may use this letter as your receipt should you elect to donate. Our 501C3 EIN Number is # 84-1354852.

As President of the Colorado Association of School Resource Officer's, I thank you ahead of time for your consideration of a donation to our association, and for your support of the youth in your community. Please visit www.casroinfo.org to learn more about our association, and feel free to contact me through a direct e-mail link found under "contact us" should I be able to answer any questions for you.

Most Sincerely, Agent/SRO Stacey Collis
CASRO president
