

WHAT WDCA IS WORKING ON

August 2018

Needs:

- Social events program chair
- September 21, 2018 host for Friday out Front
- Help to continue clean up efforts on Quebec St.
- Newsletter delivery by neighbors on specific streets
- Recruiting neighbors who are interested in participating in a traffic roundtable meeting to identify issues and prepare a 'wish list' of feasible outcomes.

Watching:

- "Watson's" lot at Alameda/Quebec – current owners have advised they will be filing for zoning change sometime in 2018. They met with homeowners and WDCA board in spring of 2018 to learn opinions of proposed changes (theirs) and gathered feedback.
- New school year began late August. Neighbors please take care as you drive.

Newsletter and Communications

- WDCA has a website that is now updated regularly
- Newsletter is quarterly – needs help for October issue
- Push for membership. WDCA hired legal support for recent liquor application process by Fairmount Cemetery. Membership dues pay these fees and for social events hosted by WDCA.
