Share the Harvest

If you give faithfully to Aledo United Methodist Church, then you would have recently received your third quarter giving statement. You would have also received a letter indicating that our church will likely come up short of budget by \$30,000 or more. Thankfully, our church has traditionally lived well within its budget, and we are on track to end the year spending less than what we budget.

To address that anticipated shortfall, our finance committee will once again launch “Share the Harvest” from now until the end of the year. This is a stewardship campaign to raise \$30,000 to meet our 2022 budget. We’re also creating three tiers within that goal: our “bronze goal” is \$10,000; our “silver goal” is \$20,000; and our “golden goal” is \$30,000.

Please participate in Share the Harvest by giving above and beyond your regular giving, whether that’s an extra dollar or an extra \$100. It all adds up and it all helps us close the gap in our giving. Please mark your extra giving for “Share the Harvest” or simply, “Harvest.” If you haven’t given at all this year or if you’ve given sporadically, anything you give may be marked for Share the Harvest.

Aledo UMC is blessed with 130 households who regularly support its ministry. The average household income for Mercer County is \$59,972. I realize that many of you are well below that average, but I also realize that many of you are well above it. Nonetheless, a tithe of that average household income is \$5,997 per year. If all our giving families “tithed” just five percent of their income (using the average for Mercer County), then Aledo UMC would receive \$389,818 annually. That’s far more than our annual budget and if we were on track to receive that this year, I wouldn’t be writing this article.

Please understand that I’m not writing this to make anyone feel guilty. However, I am writing this to show you what I believe our potential is as a church. We have done great things for God, and we can do even greater things for God. All we need—all God needs—are your time, talents, and tithes.

We’ll also be engaging in another spiritual practice in November by making our annual pledges to the church. When we prayerfully make our pledges to the church, we do so by faith, trusting that God will provide us with the means for us to take care of our homes, our families, and our church.

You may be wondering what's included in that \$30,000 shortfall. Thankfully, it does not include our utilities, salaries, insurance, or programming expenses. All those have all been paid on time throughout the year. However, one of the areas where we fall short is in paying our Conference apportionments, which represents our denominational "overhead." It's what we pay because we are United Methodists, and it represents an important part of our witness to the world. For example, our apportionments sustain ministries such as the United Methodist Committee on Relief, which provides millions of dollars of aid in areas affected by natural disasters or poverty. Our apportionments are \$2,652 per month.

Another area where we are falling short is in our repayment to our endowment fund. Several years ago, we borrowed \$150,000 from our own endowment so we could make some major repairs to our church. We borrowed from ourselves with the understanding that we would pay it back at three percent interest. To date, we've paid back \$20,000 and our payments have dropped from \$375 per month to \$325. It is important for us to maintain a healthy endowment in order to secure the future financial needs of our congregation.

Unfortunately, repairs to a 105-year-old building like ours are ongoing. One of our walls has been compromised and will require some expensive repairs in the near future.

Please prayerfully consider how you might participate in our end-of-year "Share the Harvest" campaign and how you might support our church next year through our pledge drive.

Connecting People to Christ with you,

Pastor Dave

THANKSGIVING

Thursday, Nov. 23rd brings the annual celebration of Thanksgiving- a day originally set aside to give thanks for the things one has at the end of the harvest season, Thanks-giving is celebrated on the fourth Thursday of November.

Give
Thanks!

We trace this American tradition back to 1623. After the harvest in November that year, Governor William Bradford proclaimed: *Inasmuch as the great Father has given us this year an abundant harvest...has made the forests to abound with game and the sea with fish and clams, and...has grant-ed us freedom to worship God according to the dictates of our own conscience, I proclaim that all...gather at ye meet-ing house...between the hours of 9 and 12...on Thursday November 29th, 1623, there to render thanksgiving to ye Almighty God for all his blessings.*

This year at Thanksgiving, we pray you will be able to break bread with family and/or friends. This Thanksgiving, take time to count your blessings- name them one by one. This Thanksgiving, be sure to give God the thanks He de-serves for all of the blessings He gives us.

There will be a Community-wide
Thanksgiving Service at 6PM
November 19th at College Avenue
Presbyterian Church.

CONNECTION COINS FOR NOVEMBER

The Connection Coins (the “thinly-veiled Pringles cans”!) are doing great things in the life of the Aledo UMC! On the 2nd Sunday of each month, those cans are set out. You are encouraged to drop your change in- although we WILL accept “folding money”! And that change goes toward helping fund a ministry within the church.

Each year here at Aledo United Methodist Church we share our blessings with others in the form of Holiday food baskets. These will be prepared in-house, and donations are needed to provide supplies for the baskets. Your coins will help make that happen. 100% of the money that is collected in the cans on the 12th of November will be used to help fund this valuable Ministry. What a GREAT way to help connect people to Jesus Christ. So, remember to bring your change on Sunday, November 12th.

Digital Updates

Friday, October 13 was a lucky day for us as Finn Solutions completed the installation of our new soundboard. With it, we opened several new opportunities for connecting people to Jesus Christ. Most significantly, we began streaming our 8 am service live on our website (www.myaledoumc.com).

The timing of this coincides with changes Facebook has instituted. For the past several years, after livestreaming our 8 am service, we had the option of deleting the video immediately, deleting it after 30 days, or never deleting it. Of course, we always chose the last option and never deleted our services. This has meant that several of you have posted memories of services from several years ago, including when Rev. Mark Harris was serving our church. However, such memories won't be available with the new changes instituted by Facebook. And we simply don't have either the capability or the digital space to archive our services on our website.

One solution is to create a YouTube channel for the church, and we hope to do that soon. In the meantime, we will be using Pastor Dave's YouTube channel. (He had to create one when he was in his doctoral program because he needed to upload a 20-minute summary of his project.) Until we get our own My Aledo UMC channel on YouTube, our 8 am morning worship services will be uploaded to Pastor Dave's YouTube channel. Please search for @David Schultz1877. You may also go directly to Pastor Dave's YouTube channel by logging onto <https://www.youtube.com/watch?v=PCdkLtT82v0>.

Beginning on Sunday, November 5th, we will also stream our 10:30 traditional service live on our church website. This broadcast will be live only; it will not be archived.

The timing of these changes also coincides with some work that our finance team has been engaged in to provide portals for online giving. Many thanks to Scott Spencer, chair of our Finance Committee, for working with Vanco to institute these changes. Vanco will provide a secure way for you to give to our church through our website.

Many thanks are also due to Mike Millar for his tireless work in coordinating with Finn Solutions as they provided a much-needed upgrade to our sound, video, and technological systems. We learned that our old system was much more downgraded than we had realized.

Many thanks as well to Ethan Taylor who has been our cameraman over these past many months. For the immediate future, we plan to livestream on both our website and on Facebook with help from Ethan. Eventually, he will be trained to work in the tech booth.

Thank you for your recent collaboration in working with Mercer County Health Department with restoring electric utilities for our client and community member. The generosity from your organization was very instrumental. They had been living in unstable housing without power for several months and the fact that they now are in stable housing along with having power has been very instrumental in their health and wellbeing.

Your time and consideration on this project are greatly appreciated.

December Volunteers for the Month: The Halloween Float Committee

Sometimes it takes a village to do something wonderful, and our December Volunteers for Month are no exception! AUMC have been a part of the Homecoming Parade for many years, but this year the float committee took it to a whole new level. It was decided that AUMC would not only have the bus and walkers passing out swag, we would have a FLOAT! The theme was Disney and this group took their ideas and ran with them.

The Planning Committee met and Andrea Parker came up with the idea of using the movie, "Up" for the float. The float would be stored in the Parker's garage where construction and work could take place. Pastor Dave ordered two AUMC banners for the sides of the trailer that Gary Heard volunteered to let the committee use. Candice helped design the decorations, and Ruth ordered them.

Construction started, and Wayne Darsnek built a wooden frame for the cardboard house (cardboard which Andrea obtained from Rush Appliance). Rick Newswander obtained bales of straw from Jim Childs to add to the float and provide seating for the characters. The awesome results are seen in the pictures.

Thank you to everyone who participated! The float was a wonderful representation of AUMC and really enhanced our presence in the community.

We have another opportunity to build a float during Holly Days on Friday, December 1st. Come join the fun, and let's make a fantastic float for the Electric Parade!

Planning Group: Pastor Dave, Andrea Parker, Neil Truman, Rick Newswander, Shari Chandler, Wayne & Vi Darsnek, Ashley Thomas, Scott Guyton, Ashlie & Patrick Fuller, Mindy Rushford, Candice Schultz, Ruth Dulaney

Bus Riders: Bill Kraut, Zaiden and Zander Greene, Gracie Hevland, Debbie & Stan Swank, Martha Rittenhouse, Sheila Spencer.

All Saints Sunday

Sunday, November 5th is All Saints' Sunday, historically a time for the church to remember those who have gone to glory. At Aledo UMC, we will remember members and loved ones of members who have died in the last year. Our remembrance will include projecting a picture of those members and loved ones during the Holy Communion at the 10:30 service only. If you lost a loved one since November 1, 2022, please contact Pastor Dave to make arrangements to share a picture of your loved one.

Cunningham Children's Home & Lessie Bates Davis Neighborhood House Christmas

It is time to gather gift cards for Christmas gifts for the children and families at these two places that the United Methodist Women, (and our entire Church), support throughout the year (and especially at Christmas)! Bring your gift cards for Amazon, Family Dollar, Gordmans, Old Navy, TJ Maxx, Wendy's, Taco Bell, Burger King, Casey's, Arby's, iTunes, Toys R Us, or Walmart to the office by November 22nd, and we will make sure they arrive at their destinations by December 1st.
