

Field Trip Options

We can accommodate 30 painters in our main studio and an additional 12-14 in our party room. If your group is larger we can schedule multiple trips within the same day or **we can come to your location!** Field trips are scheduled on Tuesday, Wednesday, or Thursday mornings between 9am and 11am before the studio opens to walk-ins. If you are a group of 12 or less, visits can be scheduled during normal studio hours. Visits usually take 1-1 ½ hours depending upon the project and group size.
