Akron Celebration Committee

Organizing & hosting celebrations for 4th of July & New Year's Eve

www.celebrateakron.org

Every year is a challenge to acquire enough donations and volunteers to offset the work and costs that go into our community celebrations. With the continued support of our local community and generous businesses we look forward to bigger and better events each year. We thank you in advance for your donation and/or participation.

Event updates will be posted on the website and facebook page as things are finalized.
