

# All **GUARANTEES** are “not” the same!

*In fact, some are downright misleading  
or too complicated to understand.*

**When I say it, We will do it.**

- 1.** If for any reason you are not completely satisfied, we will re-wash your vehicle as many times as necessary to make sure you and your car are happy.
- 2.** In case you did not notice any issues with your service until a few days later, no problem, just bring it back and ask for the manager.
- 3.** Still not satisfied, ask for a full refund, we never say no. ***Our Touchless Car Wash Guarantee is the best in the Industry! I guarantee it.***
