What's New in 2019

Happy New Year! We hope you enjoyed a memorable holiday season and are

ready for a productive and successful 2019. Here is what has been going on and what is coming in the first quarter of this year.

Launch of the Publisher Portal. We are ready to launch the long-anticipated Publishers Portal! This is where publishing professionals including agents and publishers will be able to find you and your book idea or manuscript. Be sure to review and clean up your profile so that all the information you want is there and error-free.

Featured Author. Our 2nd Featured Author interview is wrapping up and will be added shortly. We are actively seeking the next author to interview.

New Contest! We gave away Surface Pro in November and our new contest for existing and new author subscribers is an Amazon Echo Smart Speaker. Share with friends and tell them to enter to win by June 30th!

Twitter Tweet-chats. Every other Sunday we are hosting a write-in with questions and conversation on a specific monthly topic. Follow us at #NeverWriteAlone on Sunday's at 7pm MST beginning January 6th.
