HMIS EXIT Data Collection Form for Solano County HMIS Projects

General Instructions

This is the exit form for ALL projects in Solano County except for SSVF funded programs.

This form should be filled out for all household members and entered into HMIS accordingly.

Income and benefits collected by minor children in the household should be reported under the head of household.

If a household presents as two minor youth, one of the youth should be designated as the head of household.

No question should remain blank at the end of the assessment. The administrator of this intake must ask all questions of the client and mark the appropriate response.

Please note, current HMIS policies require that all data be entered into HMIS within three days of acquisition.

If you are confused about how to answer a question, please refer to the HMIS Data Dictionary which is contained in the resources folder for HMIS accessible through ServicePoint.

If the data dictionary does not answer your question, please reach out to solanoHMIS@homebaseccc.org for assistance.

If the client has not taken possession of the unit at the time of project entry leave this field blank and provide an update at a later time when the unit becomes available.
