ANDOVER GLEN HOMEOWNERS ASSOCIATION NEWSLETTER - WWW.ANDOVERGLEN.ORG

IN THIS ISSUE

From the President

Dear homeowners,

The Andover Glen HOA is appealing to homeowners to please consider getting involved in helping out.

We will have three openings on the board this fall that need to be filled. We have been operating at less than the nine members that represent a full board.

Being a board member requires that you be able to attend one two-hour meeting per month.

We will be looking to fill some very important positions with the treasurer being one.

This position requires some accounting experience. We need some help with the architectural board also so anyone with building experience is welcome.

If we continue to not get participation from homeowners to serve the board will have little choice other than possibly turning this over to a management company which will cause our dues to skyrocket, among other negative impacts such as more fines, etc.

If you can help, please reach out to any board member who will help you with the ballot procedure.

Also, and if you want to be well informed of the board activities and decisions, please communicate your email address if you have not done so yet so that we can better communicate with you.

Thank you all in advance and have a great summer!

Bill Schwab

Annual Summer Picnic

Don't miss out on Andover Glen's summer picnic. The date is August 24 at the Andover Glen park (where the tennis courts are). We will be starting a bit earlier this year, so mark your calendars for 02:00 2PM, and it goes until everyone has left.

We are lucky again to have our master chef Jay Johnson prepare his wonderful BBQ meat and your HOA will provide fried chicken, water, sodas, and all the paper supplies. All you need is to bring your families, and if your address ends in an odd number, please bring a dessert; if your address ends in an even number, please bring a salad to share.

In addition, remember to bring something to sit on and even tables if you'd like.

There will be a Bouncy house with a waterslide again this year for all the kids to enjoy and stay cool, so don't forget the sunscreen, swimsuits and clothes to change into once they are done.

Also, as in past years, we will have the adult drink contest; start mixing up that wonderful summer drink that will beat last year's winner and earn the Andover Glen best mixologist trophy.

Dumpster Weekend Success

The Dumpster was a very successful event for our neighborhood. If you weren't able to get rid of all of your stuff this past June, no worries as there will be another one coming this fall. Stay tuned for the dates and more information.

HOA Annual Meeting

It's that time of year again, mark your calendars for Monday, September 16 at 07:00 PM.

The meeting will be held just across Bellevue at V-Esprit, 5240 S. Shalom Park Circle. There will be signs directing you to the proper room.

It is so important to be involved in our community and we direly need volunteers to join the board. If you are interested and/or just would like more information on what it entails, please contact Carie Eisenberg at ceisenberg@q.com or Andrea Levine at alevine56@comcast.net and either of them will be happy to chat with you.

Please attend!

Emails Please

The Board would love to have everyone's email to ensure you receive all the communications and notifications we send out.

If you are not receiving the newsletter or any other information via email, it is because we do not have your email.

In addition, we occasionally send out special notices or reminders of things coming up.

Your email address is totally safe with us, as we absolutely do not share them with anyone.

Please email Gilles Esposito at gilles.esposito@comcast.net to give him your email and/or confirm it with him if you are not sure we have the correct email address.

Friendly Reminders

Please slow down in our neighborhood streets, and drive like your own kids and animals are playing in the street.

Also, if your sidewalk is in bad shape and needs repairs, contact the City of Aurora at 303-739-7000 and ask to be put on their repair list.
