NWJAD closing announcement

It is with great pride that NWJAD, Inc. announces that after an amazing 30 years, it has reached the end of its time and will be closing as an organization. NWJAD has created so many wonderful memories for all of us who worked together to plan events and workshops, who laughed together at SO many fun social events, storytelling contests, comedy nights, and who cried together when we lost members that we dearly loved. We accomplished a lot over 30 years and everyone who was ever involved should feel very proud of having been a part of NWJAD. In the coming weeks, the NWJAD Board of Trustees will announce where its remaining funds will be donated so that NWJAD can live on in our memories just as it began 30 years ago - an organization of the Deaf community to serve the Deaf community.
