From: Colin Nole, Director of National Diabetes Initiative and the Nobles of Mu'tim Temple #240
To: Potential sponsor (s)
Subject: Diabetes walk Sponsorship donation(s)

Dear Potential Diabetes Walk Sponsor;

All quality organizations need financial resources in order to achieve their goals. This organization is no exception. As a non-profit, volunteer organization, we must rely on three basic means of financial support; individual/corporate sponsors, funding activities and membership dues in order to meet our mission. We are asking for your sponsorship for a special cause as we fight to educate the local community about diabetes and raise funds towards the National Diabetes Initiative (NDI). On June 24th 2017 we will host a Diabetes walk at Old Mill Park in Fredericksburg Va. to help in this cause. NDI is a collaborative effort between Prince Hall Shriners (PHS) and the American Diabetes Association (ADA). The NDI is a 10-year \$1 million fund raising initiative. MUT'IM Temple # 240 of Fredericksburg Virginia is doing our part. Our motto is charity, charity, charity, and we would really appreciate it if you could sponsor us to keep the great work that's being done moving forward.

Platinum and Gold Level Team sponsors will receive the following:

Platinum Level- \$250.00

- **Team/company name on sign along the walking path**
- **Platinum sponsor LOGO on event banner.**
- **Captain gets 6 Tee Shirts (No limit to team members)**
- **Diabetes wrist bands for team**
- **Team photo posted on Web Page**
- **4 tickets to a future MUTIM Temple event**

Gold Level- \$100.00

- **Team/company name on sign along the walking path**
- **Captain gets 3 Tee Shirts (No limit to team members)**
- **Diabetes wrist bands for team**
- **Team photo posted on Web Page**

We would like to thank you in advance for your generosity. Without the community's support and donations we are powerless. If your organization would like to sponsor in some other form please feel free to contact me Colin Nole at 540-540-226-0419 or Christian Thompson at 703-867-3776.

Collin Nole
