

SNOW REMOVAL PRIORITIZED

(March 29, 2019)

EARLIEST:

Clear driveways with truck blade, ATV and shovels at all homes to allow homeowners to exit garages.

Rotate between the four streets as the starting point for each snow storm. (VelvetCt, DoeskinCt, CreekwoodCt, SetonPlace)

NEXT: Clear sidewalks to front doors with shovels or snowblower

NEXT: Clear sidewalks on streets in front of homes with ATV, shovels or snowblower.

LAST: Clear 6' wide path on sidewalks on Saddlerock Road with ATV, shovels or snowblower.

SNOW IS NOT TO BE REMOVED FROM STREETS UNLESS REQUESTED BY THE ASSOCIATION BOARD

With snowy weather on the horizon, it is time to remind you of our snow removal policy. Our association's snow removal policy depends on the particular circumstances of each storm. The board's designated representatives will coordinate snow removal with Green Thumb. If the forecast calls for overnight snow, please park vehicles in the garages to the extent possible to aid the snow removal efforts.
