

The Sermoonjoy Scholarship Application for HSPVA

Hello Class of 2023!!

I always look forward to my time spent at HSPVA, and could not be more excited about being able to join you IN-PERSON for this years Sermoonjoy Scholarship auditions. I established this scholarship back in 2008 to give two more students from the Theatre Department the opportunity to receive scholarship funding for college when it seems like other opportunities may have passed them by. This scholarship is awarded based on financial need and choosing the Arts has your major in college. Here are the instructions for being able to present your best audition and representation of yourself.

Download the application at <http://www.sermoonjoy.org/sermoonjoy-scholarship.html>. Auditions are scheduled for **Monday May 15, 2023** during the 2nd half of the day. You will present 2 contrasting pieces for consideration. You **must** present 1 monologue **and** then either a 2nd monologue, song or design presentation. Monologues, songs and design presentations should be performed in **no more than 3 minutes each**. The recipients will be awarded according to presenting a completed application with letters of recommendations, preparedness of audition presentation and material, not having been awarded other scholarships from HSPVA, and existence of a financial need. **All of these requirements are extremely important to me and non-negotiable for consideration.** The recipients will be announced and receive certificates as part of the 2023 Kinder HSPVA Awards Ceremony. You will receive an email from the California Community Foundation which houses the Sermoonjoy Scholarship, and be given directions as to how to create a log-in to accept your award in June 2023.

Bring me your best effort, but please remember above all else to have fun, and I look forward to seeing what you've got!!

My best to you,
