MAD SCIENCE® ENRICHMENT PROGRAM

REGISTRATION FORM

Mad Science Rocks!!!

Radical Reactions

Eliminate the mystery in chemistry! Explore the differences between chemical and physical reactions! Conduct your own experiments at home with your very own "Dynamic Dish"! Yes, Mad Science is RAD!!

"Fun"-damental Forces

Gravity... Inertia... Centripetal force... who could ever imagine that an introduction to physics could be so much fun? We'll build some cool devices to watch them at work!

Life in the Sea

Create your own multidensity wave bottles while learning about water, waves and the environment. See how sea creatures are all linked together and how we can protect and preserve our oceans.

Science of Magic

Magic? No... It's science! You'll learn the secrets behind famous magic that you can recreate for yourself! Mother nature has some tricks of her own, and we'd like to show you what's up her sleeve!

Stunt Planes & Gliders

The Wright Brothers would be proud as we follow in their footsteps and learn the fundamental principles of flight. Build your very own loop-flying stunt plane. You'll be a Top Gun after this class!

Super Structures

Discover the strengths of triangles, cylinders and arches. Learn how combinations of these shapes make for sturdy homes and skyscrapers! Use teamwork to build your own super structures as well as an earthquake-proof building!

Spy Academy

From edible messages and decoding clues, students will have the opportunity to check out the skills that spies have in this hands-on journey into the world of espionage. Students will make and take home their own Secret Code Breaker to communicate stealthily at home, like real spies.

Under Pressure

Join Bernoulli and Newton as we take this exciting look at the science behind aerodynamics and the properties of air... under pressure. Use a vortex generator and levitate ping-pong balls in defiance of gravity!

Hey Bobcats!!!

Are You Ready for Some Hands-On Science Fun?

**Details: Tuesdays, January 9th
through February 27th.**

8-week program Cost: \$119.00 per student

Time: 2:25 - 3:25pm Grade: 1st - 6th

The Registration Deadline is January 8th.

*Classes to be held at Villa Park after school ends
in the lunch area.*

Please mark your calendar with all important dates.

northorange.madscience.org

ALL REGISTRATIONS MUST BE COMPLETED ONLINE

To register for Mad Science:

1. Go to northorange.madscience.org, enter and click "After-School Programs," then "Register Now."
2. Select "Villa Park Elementary" from the location list and follow a few simple steps.
3. You will have to create an account if you have not registered with us. If you have registered through us before, use the "Edit" button to change the grade and teacher for your child.
4. Make sure to click on the box marked "select to register" after your child's name for that child's registration.
5. Choose your payment option. **We accept Visa, MasterCard, and Discover.** An email receipt will be sent to you.

No internet access or credit card?

Please call us at (714) 482-0121 to make arrangements.

DON'T DELAY ... ENROLL TODAY!!
