UPDATE SERVICE

Your vehicles condition and value can be updated, as you deem necessary. Please contact our office for this service if you undergo extensive additional restoration or you have reason to feel that the value of your auto has increased. We strongly suggest that this appraisal is updated at least once every four years. If you require advice on the matter, please contact our office.

IN CASE OF ACCIDENT

In the event of loss or damage to your vehicle we suggest you remind the insurance claims department that this vehicle has been appraised for value. In as much as we are independent damage appraisers we can supply the insurance company with a damage appraisal concerning the cost of repairs.

REMARKS

██████ is the new owner of this custom 1941 Chevrolet Pick Up. ██████ plans on minimal use. The custom details in this classic truck are done professionally and at the highest standards of craftsmanship, this increasing the value of this custom truck. This Chevrolet Pick-Up would be considered to be in showroom condition. This Chevrolet would be considered a custom condition truck. The low mileage suggest a trailered show vehicle. In our considered opinion, an assessed value of ██████ for a vehicle of this nature must be considered as most reasonable.

Assuming proper maintenance and continued minimal use, there is reason to believe that this vehicle will hold a fair market value and continue to increase over the years

NOTE: Owner has viewed and agrees with information provided in this appraisal. Specifications relating to power train, suspensions and mechanical have been supplied by the customer. Any future modifications should be reported to the insurance company and appraiser because this may affect the value of the vehicle

We wish you luck in your future endeavours.

Yours very truly,
