

Hey.....

I need your help! I have a goal of having at least 20 women this week hear the facts about MK. Would you be willing to help me out for about 20 minutes and do a fun facts call with my Director? You don't have to be interested in doing MK...you would just be helping me out. I have a \$20 gift card for those who help me reach my goal. I would appreciate your help.

Hi.....

You have been on my mind lately. You know... I was thinking that I have not taken the time to share with you why I love my MK. I don't know if Mary Kay would be something you would ever be interested in doing.....but I do know you deserve to at least her what MK has to offer you.

Like I said it probably isn't for you.....but you would you be willing to meet me & my Director

For coffee in the next couple of days? I have a \$15 gift card for just meeting with us.
