I. Welcome

II. Minutes- The Minutes from the September meeting were approved by consensus.

III. Meeting Purpose: Purpose: Touring facility, discussion regarding planning & design for continued development of the community center.

a. Tour of Brick Warehouse: plans for café, outreach offices, apartments

b. Tour of Yellow Building: plans for community center

c. Next Steps:

- i. Share Craig's outlined plan for the project by email for the Executive Committee to review. *Ideally, they agree with the project and how it aligns with the Franklin Together mission and work being done by the Great Barrier Relief Task Force.*
- ii. Draft letter of support for Executive Committee review; request the co-chairs (Kim & Carrie) sign the letter. *Letter of support would acknowledge the need, endorse the project and encourage partner support for continued development.*
- iii. Use letter to increase community support, local organization and business buy-in of the project, grant applications and as a resource to help recruit an advisory board for the project.

IV. Meeting Adjourned
