Stand Beside Her Patch Program Guidelines

Whether in the Stand Beside Her Patch Program The Stand Beside Her Patch is a way for Girl Scouts to gain a concrete understanding of the Stand Beside Her movement and how they become change agents in their communities to shift the way girls and women treat one another. Through the Stand Beside Her movement, we hope that all girls will not only be appreciated and respected for their talents, strengths, and unique qualities, but also choose to stand beside other amazing girls and women.

Juniors: Complete 3 activities for each topic.
Cadettes, Seniors, Ambassadors: Complete 4 activities for each topic.

TOPIC #1: We Can All Shine!

Everyone has their own unique and special talent and purpose to contribute to the world. Sometimes, when our own talents and abilities don't seem to shine, it can be easy to think they will shine your own drive and success. This is not the case at all! One person's success does not take away from another's. In fact, if you choose to be someone who is shining, their light will shine on you and make you brighter too! We need to remember that we are connected to others. There is enough room for every girl to shine and reach her fullest potential. If we help each other grow, strive to do our best, and appreciate others for what they have to offer!
