Uniforms

Girls stuff was here, the boys stuff was running slightly behind. Monday-Tuesday of the following week (May 10th) they are expected.

SmithCo

New SmithCo was purchased and is present at the park. Fundraising for the Woelfel Grill Haus was going great, so the club opted to purchase their ½ of the SmithCo.

Woelfel Grill Haus

Masonry has started on the project with stone work beginning shortly. There would be a donor and story plaques on the building both approximately 2'x2' in size. The club suggested using the Northside facade of the building. Countertops would be going in May 17th. Fundraising went well with \$43,105 in donations to date. A large number of donations were received from club members. Thank you to everyone for your fundraising efforts, especially Terry Criter and Pam Woelfel. June 11th is the scheduled ribbon cutting at the park around 6 PM to thank all donors.

Quinney Fishing Club would also like to run a fundraiser, with a possible fish fry being mentioned along with a possible drive thru brat fry. Some dates were mentioned but the calendar is a bit to jumbled right now but the club will look to do this in the near future.

Spring Work Day

Spring work day was a great success. Thank you to everyone who took time from their day to help the club.

Scholarships

4 Scholarship recipients were chosen from 10 applicants. Anna Waldron will be presenting the scholarships at awards night. Thank you to Ken, Anna, and Matt Kiel for being on the committee.

By-Laws

By-laws will be reviewed for possible changes before next month.

Kolbe Tournament

Teams will be getting shirts which will be ordered by June 10th. Number of teams still to be determined.

Tiger Cubs

15-20 kids have signed up for Tiger Cubs. Practices/games on Tuesdays and Thursdays 6/8-6/17.

Umpires

Umpires will be needed for the 1st couple of weeks as spring baseball is extended this season. Please suggest helping to anyone available.
