THE MESSENGER

But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. *Matthew 6:33*

Campbell's Corner

To the Mangohick Baptist Church Family and Friends,

I was glad when they said unto me, Let us go into house of the Lord. Let's rejoice and give thanks for what God Almighty, has done, is doing, and will do in the life of **Mangohick Baptist Church**.

Special thanks for those who served to make our Harvest Festival for the children a tremendous event. Special thanks to the Missionary Ministry for a great **Missions Day Program** and for remembering those who served faithful but are no longer with us.

I encourage everyone to exercise their civic duty and vote for their candidate of choice during the election process for the Governor of Virginia. Please make every effort to let your voice be heard because your candidate of choice will not win without your vote.

We'd like to take this moment to thank all our **Veterans** who served in the various Armed Forces. As we enter into the month of November and begin looking forward to the **Thanksgiving Holiday**, don't forget to give thanks for the simply things in life, such as "family, friends, fellowship and a reasonable portion of health and strength." When you are reaching for something from God, be radical in releasing your faith to Him, and He will release and manifest the things you are reaching for in your life. You will eventually walk with and possess the reality of what you have been reaching for. Make your prayer time an appointment with God. You make appointments with lawyers, doctors and friends. Start making daily appointments with God. "Now Peter and John went up together into the temple at the hour of prayer, being the ninth hour," (Acts 3:1).

As Cynthia and I are completing our "**Fourth Year**" of ministry serving as your Pastor and First Lady, we are eternally grateful for the opportunity and privilege of serving. It's amazing to see how fast and quickly time passes. We "**Love You Much**" and look forward with great anticipation for the incoming years! Lastly, as always continue to keep and pray for our sick and shut-in members and keep one another lifted in your prayers.

THE MONTH OF NOVEMBER

SECOND NATURE

Suppose I asked you whether you brushed your teeth this morning. Hopefully you would say yes. But say I dug a little deeper and asked you to describe the experience of brushing your teeth. Awkward silence.

It's not because you didn't brush them; it's because you just don't give a lot of thought to brushing your teeth. You probably thought a lot about it when you were a kid, making sure you hit all the uppers and the lowers; maybe you even sang "The Alphabet Song" in your head to make sure you spent enough time brushing. But now you've been brushing your teeth for many years, and it has become a routine you go through without even thinking. Brushing your teeth has become second nature to you – an action so often repeated that it now exists in the realm of muscle memory.

In Christ, Christians are given a new nature, new desires, new tastes, and a new lifestyle. As we continue to grow in Christ, we will develop consistent patterns of living that are the spiritual equivalent of brushing your teeth – patterns of thinking, believing, and acting that become so ingrained in us we scarcely even think about them.

Through the lives of seven biblical characters, this study will bring out some of those patterns that grow out of our belief in the gospel. We will be challenged to develop character traits that become second nature to us.
