•Pleasant Hill is sponsoring a Life-Saving Blood Drive, Saturday, September 18, 2021 from 10:00 A.M. – 2:00 P.M. During this critical time, life-saving blood is desperately needed for cancer patients, sickle cell disease patients, patients undergoing surgery or those suffering from a traumatic accident. Statistics indicate that blood supply is very low during the summer months. The need is truly great!! Can we count on you to donate? “Sign up to Donate Blood” sheets are at the front entrance area for your convenience. You may select your preferred time to donate. Please help get the message out! We need YOU!!... Social Justice and Nurses Guild Ministries
