

# Sydney Albritton

## MISS RODEO LOUISIANA 2022

Sydney Albritton currently serves as Miss Rodeo Louisiana 2022. She is 26 years old and resides in West Monroe, Louisiana. Sydney is part of the fifth generation to be raised on her family's farm in Downsville, Louisiana. This is where her passion for horses cultivated at a young age. Despite being a first-generation cowgirl, Sydney credits her rural upbringing for providing her with the work ethic to pursue the western industry.

Beginning at eight years old, Sydney began riding horses under a variety of disciplines including hunter jumper, western pleasure, barrel racing, pole bending, and mounted drill team. However, the rodeo setting was always Sydney's preferred environment and this led to her interest in becoming a rodeo queen. Sydney has formerly held the titles of Miss Crossett PRCA Rodeo 2018 and Miss Southeastern Circuit 2020-2021. She is currently a senior at Louisiana State University of Alexandria studying Health Sciences. Upon graduation, she aspires to attend one of Louisiana's prestigious law schools. Additionally, she holds an associate degree from Louisiana Delta Community College and is a Board-Certified Optician through the American Board of Opticianry.

In her free time, Sydney thoroughly enjoys various practical hobbies such as gardening, canning, and trying new recipes in the kitchen as well as spending time with her three horses: Missy, Crash, Elmer, and her miniature donkey, Gravy.
