  - Publicity-Marybeth will write an announcement that will be forwarded to Mrs. Bates for inclusion in the school's August newsletter.
  - We will begin soliciting raffle prizes. Tina will get form to Booster members to present when requesting donations. It was decided that when a request is made or a donation secured an email will be generated to all members so that we do not overlap our request for support from the community.

  - Ben Schlesman will be working on this event as his senior project. He will meet with Bobby to review format. Ben will also be soliciting sponsors for the event.
  - Our goal is a minimum of 132 golfers and a maximum of 144.
  
- **Pre-Season Basketball Clinic:**
  - Tony will again run a four-week pre-season basketball clinic for students in grades 1-6. He will group students according to grade level and each group will receive instruction and practice which will help them prepare for the upcoming season as well as foster an interest in the sport for students that may not play.
  - Tony and Bobby will determine the dates based on availability of the gym (Wednesdays).
  - Laura will present the flyer to Mrs. Lane for approval of distribution in the schools.
