

Track Driving Skills by level:

Beginner	Intermediate	Advanced
Flags and stations	Heel & Toe shifting	Trail braking
Passing & point by's	Oversteer and understeer	Double Apex
Intro to 'school' lines	Threshold braking	Passing both sides
Entering/Leaving pits safely	Tire temps and pressures	Adapting lines to the car
Cornering	Overtaking in shorter straights	Overtaking in corners
Basic overtaking protocols	Balancing throttle in turns	Maximizing cornering speed
Using the mirror	Correcting errors	Optimizing braking points
Braking points	Weight distribution effects	Handling on the limit
Looking up and around	Can move beyond using cone markers for corners	Drive live flawlessly and effortlessly
Driving position	Competent recovery skills	Very smooth driving inputs at all speeds
Judgment & decisions	Calmly read with speed differentials in run group	Mastered throttle steer, heel & toe
Exhibit positive and safe attitude		Drive at appropriate pace for group
		Knows limits of car and drives within it
