

Scott Vedder is the author of *Signs of a Great Résumé*, the #1 best-selling résumé book on Amazon.com. He conducted over 5,000 interviews as a Fortune 100 recruiter. Scott now serves as a professional speaker, consultant and expert on résumés, interviews, and career transitions with a focus on helping military veterans succeed in the civilian workforce.

Scott Vedder

Scott has twice been invited to the White House where he presented his *Signs of a Great Résumé and Interview Workshops*. As a proud civilian advocate for veterans, Scott provides targeted expertise to help translate and quantify military skills into rewarding civilian jobs. After speaking with First Lady Michelle Obama and other officials at the Veterans Institute, Scott received invitations to share his insight at the Office of the First Lady and in the Office of the Chairman of the Joint Chiefs at the Pentagon. Scott released an updated version of his original book titled *Signs of a Great Résumé: Veterans Edition*.

VETERANS EDITION

Scott has taught thousands of job seekers in résumé and interview workshops at universities, non-profits, conventions, veteran service organizations, and corporate events. Scott's expertise has been recognized by the Commit Foundation, American Corporate Partners, the Society for Human Resource Management, and more.

Scott has been featured as a career expert in media worldwide. Scott regularly appears for in-person speaking engagements throughout his home state of Florida and is available for events, keynotes, meetings, seminars, panel discussions and custom programs across the country.

SCOTT'S BEST TIP: A résumé is not a job description!

Don't just tell an employer what you've done. Give specific examples using the *Signs of a Great Résumé*:

- ! Any part of your experience that was "amazing!"
- @ Defining points, places, dates and things in your career
- # Numbers that quantify and prove your past successes
- \$ The dollar value of your contributions
- % Figures that easily show growth and results
