Dear Neighbors:

I am pleased to advise that the next meeting of the Board of Trustees will be held at 8:00 p.m. on Monday, June 24, 2019 at Village Hall. We will have our usual monthly reports; address any pending or new village business at hand and as always, be available to discuss any other matters of concern.

Please don't forget to come out and vote at the Village Election being held on Tuesday, June 18th. The Election will take place at the Keystone Yacht Club, polls will be open from 12pm to 9pm. If you will not be here to vote, please contact the Village Clerk to obtain an absentee ballot application.

Our consulting engineering/planning firm Nelson, Pope & Voorhis, LLC, continues to work on a vision plan that addresses the goals and objectives of the Village, including recommendations consistent with those attaining those objectives. Nelson, Pope and the Village will be hosting an open house meeting for residents and the community on June 27th from 6pm to 9pm. The meeting will take place on the lower level at the Hewlett Woodmere Public Library. All are welcome and encouraged to attend.

As part of its evaluation and assessment of the impact of development within the Village, Woodsburgh is immediately seeking input from residents and the community alike in order to properly review and update its comprehensive plan. We are urgently requesting your assistance and input to express your views and opinions which will assist us in this effort. Please go to the village website at www.woodsburghny.com and click the link indicated on the first page which is <https://surveymonkey.com/r/Woodsburghvision>

Very truly yours,

Lee A. Israel
