From Your Worthy President

Happy New Year! Hope you all had a wonderful holiday and made it through the ice storm okay. I have a correction to make from the last newsletter - District meetings start again in February, not March. We'll be meeting at Tacoma #3 on February 12. Hope to see to a great turnout then!

I'm sharing part of my article space with the Aerie Trustees. They had a wee bit more to share in this newsletter and we wanted it to fit it all in! See the rest of their message on the next page.

From Your Aerie Trustees:

We are preparing to start Bingo again. The board is up, and the machine is tested and ready. We will be looking for a group to put it all together. The days are not determined yet but the initial games will be 2308 members only.

Aerie meetings are the first and third Wednesday of the month at 7 pm. Looking forward to getting more members this year and hopefully exceeding our membership goals!

From Your Madame President

Happy New Year 2023! How did this happen so quickly? I hope everyone had joyful and safe holidays. We had lots of festivities at the Aerie in December - fun times! We raised over 600 pounds of food for the food bank and over \$400 cash! Lots of socks, underwear, clothing, and cash donated for foster children. We have wonderful Brothers and Sisters in our Aerie that volunteer their time or give generous donations - thank you!

I also love that our Auxiliary and Aerie work together to keep our Aerie open and comfortable. When the heating and air conditioning went out in the bar, the Auxiliary Sisters voted and approved to pay over \$26,000 for a new system!

We initiated five new Sisters in December. If there's anyone who you think would like to join, give them an application! All Sisters are welcome to our meetings every 2nd and 4th Thursday of the month at 7:00 pm. It is definitely wintry weather now, so please drive safe and smart.

AERIE TRUSTEES CORNER

As we come into the new year, it's time to take a look at where we have come and where we are going. From the first day we all heard about Sound Transit acquiring the land that our old Aerie was on, the Puyallup Eagles came to together and pledged support to making the new Aerie even better. There were many trials and tribulations but we came out the other side with a new Aerie, new challenges and hopes.

It seems now, however, that we have become complacent. We have forgotten the reasons why the Fraternal Organization of Eagles exists and why we joined in the first place. The Fraternal Organization of Eagles is a community service organization, donating to many charities and worthy causes. People helping people is not just a catch phrase; it is our mission.

You may be thinking, "ya ya I know all of that" but lately that is not what has been happening in our Aerie. Too many

folks are coming into the Aerie with bad attitudes, condescending talk, and a sense of entitlement; this must stop!

The members of Daffodil Aerie 2308 are supposed to be your Brothers and Sisters, old friends, and new friends. Going forward in the new year, we must regain that sense of purpose, family, and grace.

On a lighter note, the Aerie is seeking volunteers for the kitchen. Our goal is to get the kitchen fully functioning. Until we can find a full time cook, we need volunteers to pick a night to cook. If you know of a person who has a passion for cooking, let them know of this opportunity. We also need volunteers for a monthly kitchen deep-cleaning. The first is scheduled January 22 at 10:00 am.

Look for the new "help-needed" board, located on the wall by the bathrooms. This board will list help needed items for the club and volunteer opportunities.
