Early Bird Pricing extend one week for the May 11 WV ASHRAE Educational Training Day

If you design, service or install heating and cooling systems, plan to attend this full day of training.

When: Thursday, May 11, 2017

Where: Days Inn Flatwoods, WV 350 Days Drive Sutton, WV 26601

Time: 8:00am to 4:30pm

Costs: \$59 per person Students: \$20 per person

6 hours of top notch discussion and application training for 6 PDH Credits.

Some of the topics.

Panel Discussion - Dedicated Outside Air Systems (DOAS)

Topics include: design considerations, accompanying systems, differing system technologies, and operations and maintenance. This session will be moderated by Samuel Butzer, WV ASHRAE President and will involve multiple manufacturer's representatives. An open forum/discussion will follow short presentations.

Panel Discussion – Chilled Beams – Topics include: design considerations, system technologies, operations and maintenance. An open forum/discussion will follow short presentations.

Panel Discussion – VRF Systems

Topics include: design considerations, system technologies, operations and maintenance. Will involve multiple manufacturer's representatives. An open forum/discussion will follow short presentations.

Using Embedded Tube Radiant Cooling to Maximize Energy Efficiency - Topic include: the effectiveness of these systems, installation methods and control strategies.

Are Hydronics Still Viable? Topics include: comparisons of hydronics to packaged rooftop units and VRF systems, including safety, operating costs, installed costs, and distribution costs.

Boiler Replacement Considerations - Topics include: boiler efficiency, piping, venting, buffer tanks, and more.
