

Ultra Fun Run of Arizona

Ultra Fun Run of Arizona has tailored a program addressing the three most common complaints about other Fun Runs.

#1 Classroom Disruption: The comment we hear the most is that “teachers love our program”. We update the classroom progress charts and give all prizes to teachers bagged and individually packaged. There is minimal classroom disruption. We are in each classroom less than five minutes during the entire pledging process.

#2 Amount of Volunteers Needed: We have the Orbiter Lap Counting System. Students will wear a bracelet that is tracked by the Orbiter so NO volunteers are needed to count laps. We handle all prize distribution. The average school needs two volunteers on run day and we handle the rest.

#3 Percentage of Profit Retained by Group: We DO NOT charge for any of the following:

- A. Credit Card Fees
- B. Registration Fees
- C. Prize Fees
- D. Website Fees
- E. Bubbles or Color

60% Profit on Fun Runs over \$10,000
50% Profit on Fun Runs under \$10,000
