

Kremmling Preschool Newsletter

March 9, 2022

MISS SARA'S SECTION - Hello Everyone! We have been daydreaming about the beach and the critters that live on the beach and in the ocean. We have danced like the creatures under the sea and made cute sea creature crafts. I hope everyone is looking forward spring break and some warmer weather. Have the best week.

"SPRING FORWARD" - It's hard to believe but it is almost time to "spring forward" our clocks. It is happening this Sunday...hopefully this means spring is on its way!!

PRESCHOOL DENTAL SCREENINGS - Yay! We are so excited to finally be able to offer FREE dental screenings again! It has been a long two years since this service has been done and we are pleased to offer it to your preschooler on Thursday, March 31st. In your child's red folder, you will see information and a permission form for your child to be screened and a flouride treatment applied. If you want your child to participate, please fill out the form and return it to school ASAP. If your child does not normally attend on Thursdays and you would like to have them screened, please see Michele for times you may bring them in to participate. If you have any questions, please reach out. Thank you!

SPRING BREAK IS COMING! - Don't forget ... The preschool will be closed for spring break, March 18-27, 2022. Enjoy your spring break!
