

## Spanish 2 will consist of the following:

1. Each week, via email, I will tell you ahead-of-time, which chart/lesson you've already gotten from my class, that you should be prepared to VERBALLY DRILL - for that particular week. [I'll "re-attach" each corresponding chart/lesson in every email, in case you've misplaced them.]
2. Those VERBAL DRILLS will condition you to listen and respond appropriately.
3. Present, past and future tense usage SPOKEN DRILL SESSIONS, followed by a brief BLACKBOARD review of each drill.
4. You will become efficient in identifying and speaking the most commonly used conjugations of certain verbs.
5. Occasionally, I'll also email you a new chart/lesson/concept for us to DRILL in the following class.
6. It will be a WORKSHOP-BASED format.]
