## PRESIDENTS CORNER

Fall has returned to Southwest Florida and so have many of our friends and neighbors which I would like to welcome back.

Our painting project is going well. The office has received much positive feedback. Florida Painter's will continue the project through the end of the year.

We are all well aware of the many inconveniences regarding the elevators in the east building. We expect the 2 new elevators will be installed and fully operating by the end of the year. We thank you for your patience.

Wishing everyone and their families a Happy Thanksgiving!

## ATTENTION HOMEOWNERS

Please be advised that upon arrival when turning on your water be aware of any water leaks thus avoiding any potential water damage to your or neighboring units. The board also recommends purchasing and using a sink strainer to avoid any drainage issues. Thank you!
