LIFE. CHANGING.

For more than 35 years, the Millcreek Education Foundation (MEF) has supported students in and out of school. We team up with investors that want to work with us to find ways to enhance the educational experience, provide on-going support, and are willing to take risks that will demonstrate to students and educators that what happens to them is important.

Supporting MEF is a way to invest in students and make an impact on what matters most, their future. We would love to discuss with you how you would like your gift to make a difference.

Thank you for your continuing support!

Get inspired

Join us this Thursday for a fun night hosted by Women in Tech at the Bourbon Barrel to benefit Millcreek's Girl's Who Code!
 Getting behind students participating in Girls Who Code is one piece of cracking the code for young women breaking down barriers, promoting self-worth and confidence, and providing them with a network of women willing to lift these students up. MEF proudly supports all initiatives that promote these vital life skills to all students.

MEF received generous grant funding from the Walmart and Ross Stores Foundation's for Full STEAM Ahead! Thank you!

MEF Grants

In the first round of MEF Grants for the 2018-2019 school year, we are excited to fund the following:

- Walnut Creek for ELA and Social Studies fiction and non-fiction books
- McDowell High School Family and Consumer Science to purchase a Cricut Air and supplies for student use of "Visual Engagement Technology"
- All five elementary schools will benefit from funding from the MEF D'Angelo Fund for costs associated with violin repairs
- MIHS PAR (PRESENT, ACCOUNTABLE, and RESPECTFUL) received funding for positive behavior incentives and signs.

MEF has been an enthusiastic supporter of the school-wide positive behavior programs. The following schools received a one-time gift to support the program:

- Asbury Elementary School
- Chestnut Hill Elementary School
- Grandview Elementary
- Tracy Elementary
- JS Wilson Middle School
- Walnut Creek Middle School

MEF also provided funding for the Annual McDowell student trip to Washington, DC.

John Patrick Keck Fund Benefits More than 100 Students!

Last fall, the family of McDowell alum, John Patrick Keck, established an "essential student need" fund in memory of their son that passed away from injuries sustained in a car accident. More than 100 students in the five elementary schools received backpacks, dental hygiene kits, socks, and underwear. Eye glasses will
