The Passing of Someone Else

We were saddened to learn this week of the death of one of our club's most valuable members. Some Else. Someone's passing has created a vacancy that will be difficult to fill. Else has been with us for many years. Someone did far more than a normal person's work. Whenever leadership was mentioned, this wonderful person was looked to for inspiration as well as results.

Whenever there was a job to do or a position to be elected to or a meeting to attend, one name was always on everyone's lips. "Let someone Else Do It."

Whenever you have a chance to participate in our club, remember that we can't depend on Someone Else any more!

Someone Else is survived by all current members of this club and everyone should be active to keep Someone Else's memory alive. Someone Else will be greatly missed by the inactive members.
