TOLLESBORO LIONS CLUB • 64 YEARS OLD

The Tollesboro Lions Club has been an active organization in this community for 61 years. The club was chartered in May of 1954. We have endeavored to build a better community and to provide a place for recreation for our community. This has taken a great deal of effort and money. In addition to the donated time and efforts of people like you more than \$250,000 has been invested in our park facilities. Each year we give eye screening examinations to part of the school children and provide glasses for those who are unable to pay for them.
