Home team responsible for setting up board

Play on a team 3 times you are locked on that team, but if both teams agree they can “share” a player for the night

If a dart thrown does not score, the player that threw the dart must manually push that dart to score whether you bust or not

Only 8 players per team will show up on the dart boards

Must have 2 nights of league play for mid-season & 4 nights for year end.

If 4 original players from your team can play at tournaments, they need to play.

You can bring in another player from another team with enough nights and PPD is similar

All teams have to pay entry fee for mid-season & yr. end whether they play or not

No paybacks at midseason, Entry fees for mid & yr end, along with green fees will be taken out of paybacks .
