FREE PROGRAMS – 19 DAYS

TIMES OF INSTRUCTION: 9AM–11AM

This program is offered, free-of-charge, to any school age child (K-9), at all listed locations, and on designated days, two hours per day. One adult instructor will supervise each site with more student instructors based on the number of participants. The students will be divided into groups based on age and ability on an hourly basis (programs may vary). This program is specifically designed for students to enter and leave conveniently and is specifically a recreational tennis program with no charge to the students. The purpose of this program is to introduce more juniors to tennis and to encourage their interest and participation in competitive tennis. Although this program is free of charge we always welcome donations to help offset costs of instructor salaries.

AATP PROGRAM – 25 DAYS

TIMES OF INSTRUCTION: 1PM–4PM

(No make-up dates for rain. No crossover payments)

This program is offered for 3 hours per day at a cost of one hundred and twenty five dollars per week, or three hundred fifty dollars for three hours per day for the entire summer. The program consists of Monday–Friday instruction, drills, conditioning, competition, and classroom presentations all conducted by qualified and certified USPTA/USPTR professionals. Each session is ability grouped by age and experience. The program is focused on competition and pre-competition level players. Students are expected to participate in calisthenics, physical and mental conditioning, instructional drills, and challenge matches of singles, doubles, or both. The purpose of this program is to go beyond the recreational standards to the competitive level. Participants are also expected to participate in local tournaments on a regular basis. Tournament competition is the clear difference between average players and advanced ones.

★ USA TENNIS 3

USTA TOURNAMENTS

COMPETITION - BOYS AND GIRLS | 10–18 YEARS OLD

The THJTA offers three USTA sanctioned junior tennis tournaments during the summer. Sanctioned tournaments guarantee participants that USTA rules of fair play and conduct will be followed. They also allow our tournaments to be publicized on a regional and even national basis. This means good competition for our youngsters without the cost of driving to other communities. The tournaments serve as a basis for rankings and seeds.

A NOTE FROM OUR USPTA/THJTA HEAD PROFESSIONALS

THJTA head professionals Wesley Kirk, Dallas Kelsey, and Chris Strong are members of and certified by the USPTA or USPTR, the world's premiere tennis teaching associations. This certification means that your THJTA instructors have passed a rigorous exam and completed more than 25 hours of continuing education.

Your THJTA lead instructors are the most experienced group in the area having taught tennis for more than 75 years collectively. We have privately coached more than 200 varsity players in Terre Haute and the surrounding areas with more than 30 of these players going on to play collegiate tennis. We have been named Athletic and Academic All-American, All-Conference, and played number one positions at both Terre Haute South and Indiana State University. We have been named Indiana USPTA Professional of the Year and honored with the Community Service Award by CITA. We have been clocked on our serves at 128 miles per hour (looking at you, Jordan Kelsey). Your THJTA instructors have been friends and worked together in tennis for over 20 years. Most importantly your THJTA instructors are ready to have fun with you this summer while sharing what we have learned about the great game of tennis!

Sincerely,

Andrew Schiffman, Chris Strong, Erin Friedrich, Wesley Kirk, Dallas Kelsey, Maegan Flight, and Meredith Fenimore
