## Letter from the Presidents

Happy New Year everyone! We hope you were able to spend some time with your cadet over the holiday break. We spent more time car shopping than we had hoped, but the Army win was worth it! The time sure flew by.

It was fun to see many of you at the Colorado All Service Academy Ball in January. Many thanks to Dana Arvin (2020) for all of her work representing the WPPCCO on the committee. It was a beautiful event. We shared our table with several cadets and their dates - an impressive group of young men and women.

It's hard to believe we are half-way through our term as your Club Presidents. We are in need of 2019 parents to step up to serve as Presidents next year - hoping to have some overlap so we can share information over the next few months. Please contact us if you are able to serve the club for the next school year at
