## Orchestra®

The only thing better than great office accessories are desk accessories that keep work tools off the desk. Enter Orchestra, a line of durable plastic mounting pieces and accessories — including binder bins, bud vases, pencil cups and letter trays — that work in concert to create harmony in the workspace.

This page, clockwise from left

Letter, memo and utility trays in black.

File folders (top to bottom) in orange, medium grey and soft grey.

Pencil cup, utility tray and binder bin in warm putty complement earth-toned workstations.

*Orchestra* in blue adds colorful accents to the desk area.

*Orchestra* accessories in clear (telephone shelf in black), hanging on an *Orchestra* slatboard.

## Smokador™

For the smart, sophisticated executive, the Smokador collection of desk accessories dresses your office in classic luxury. Available in a variety of rich leathers or multiple metal finishes, Smokador goes beyond paper management to include matching bookends, desk pads, business card holders and desk calendars.

**This page, clockwise from top left**

*Smokador* Executive Rectilinear collection comes in brushed steel, brushed zinc and black oxide. Clip cups shown in black oxide, brushed zinc, and brushed steel.

*Smokador* is available in both traditional and contemporary leathers to match the aesthetic of the office space. Standard colors for contemporary leathers (shown bottom left) include black, burgundy and camel; traditional leather colors (shown bottom right) include black, myrtle and burgundy.

*Smokador* provides the full line of accessories for the executive desk.

# Desktop Management

Don't agonize. Organize. You have more important things to do than search for that hot file, tape dispenser or favorite pen. Keep the essentials at your fingertips.

Orchestra®

Orchestra's versatile products and color options answer every application need. Whether your office is traditional or modern, Orchestra has the color palette and product choices to make you feel at home in any workspace. With slatwall or desktop products, Orchestra strikes just the right chord.

Smokador™

Smokador provides the luxury and elegance that executives expect from an office product. From deskpads to picture frames, from bookends to leather letter trays, Smokador is functional yet elegant, adding distinction to the private office.

Fresh. Colorful. Compact. Workspace is at a premium and with that in mind, KnollExtra™ has a product line with a full complement of plastic and leather desktop accessories. Elegant, inventive and colorful products, including letter trays, file holders and pencil cups, keep your desk in order and your mind free to concentrate on the bigger picture.
